Friends & Partners,

October has proven to be an exciting time for UCSS as we plan our first ever Virtual Vision Banquet to be held online Thursday, October 29th at 7:00 PM CDT. Yes. That is one week from the date of this newsletter.

Dr. Ronald's feature article shares why we press on during this pandemic trusting God for the progress. While the struggles have been real and they have been hard, God's amazing grace abounds, and in our weakness we have found him to be strong, raising up a standard against the enemy. We thank you for being here and allowing God to use you in such a time as this.

It is the prayer of all of us, both in Uganda and the U.S. that you will sign up for *A Tale of Transformation*, and watch the miracle of the story of UCSS unfold.

## A Tale of Transformation

Deuteronomy 28:6 speaks of a blessing that says, “You will be **blessed** when you come in and **blessed** when you go out”. Well, with COVID, there has been no going out, yet the Lord **has blessed** UCSS in ways we never expected.

One way he has blessed us is by enabling us to hold our annual banquet online. Thus, you don't have to "go out" to attend this

year; you just need to "tune in" online. It's not too late to be a part of the next chapter of the UCSS story.
