SEVEN MONTHS HAVE PASSED, AND WE CONTINUE TO SEE GOD'S FAITHFULNESS...

Beloved brothers and sisters, it is a privilege for us to greet you and continue to share with you everything that God has done in our lives and ministry during these past 6 months in the midst of this pandemic.

IT HAS BEEN A TIME OF SALVATION

Three families have been added to our church during these past weeks. God works in different ways and in a way, we least expected He touched the hearts of these people who through our daily prayer times broadcasted on Facebook found an answer to their requests and needs, and in gratitude they came to the Lord. In this way the Church continues to work 7 days a week.

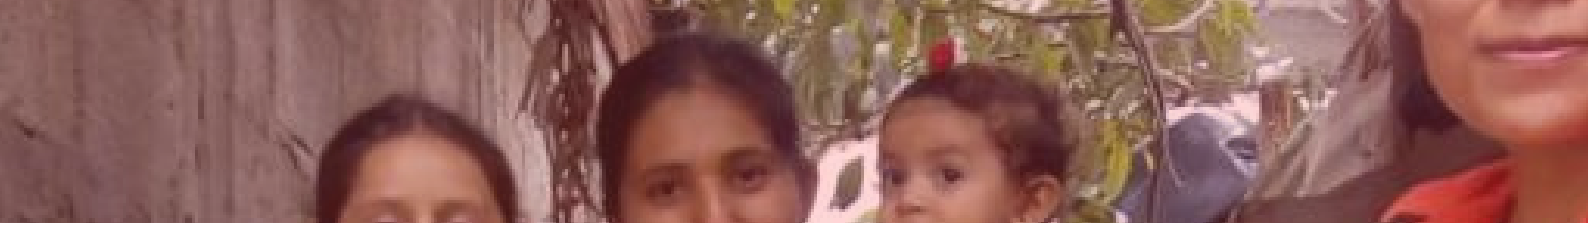

DISCIPLESHIP

Every week there are three groups of women who meet with Chochy through Zoom. The groups have been growing in number and now one of the disciples of Chochy has started a fourth discipleship group for young girls, so this ministry has been multiplied month after month.

FOOD PROGRAM

We continue with the food program. We are supporting at least once a month more than 80 families who are in need. God has been faithful, and we have seen how he has provided resources to bless these families and as a result it has been a testimony of God's love. This time has been very difficult for many of these families since most of them lost their jobs because of the pandemic, but we believe that God has placed the burden on our hearts to take care of them and support them in these times of need.

DENTAL MINISTRY

Despite the fact that due to the pandemic we have not been able to do the dental missions that we had scheduled for this 2020, we continue supporting the girls of the refuge with them dental treatments and in this way, we continue with the work of love that God has entrusted to us.

COMING UP

The Country is open, and everything is starting to reopen. The level of infections is still very high and the crisis in the health system is imminent. Church and ministry gatherings are not allowed yet, businesses are just starting to function. It seems like everything will remain the same for the rest of the year, and we will continue to do what we can for the work of God with the resources we have.

PRAYER REQUEST

We ask you to help us pray because we desire to start a program that allows us to expand the school tutoring program and turn it into a small school that works from Monday to Friday and therefore be able to do a comprehensive job with at least 35 children. We know that it is a difficult and expensive project, but we believe that it is a project that comes from God and that he will provide all the required resources if it is his will.

Another project for which we are praying is for the provision of a Dental Clinic Bus that allows us to be more efficient in the missions field, saving time that we are currently using to put up and take down all the equipment and also be more equipped in order to better serve the people who will come to the missions we have planned for 2021. We are working on the design to convert a bus into a clinic with 3 or 4 dental chairs.

WE THANK GOD FOR EACH ONE OF YOU WHO THROUGHOUT ALL THESE YEARS HAVE BEEN AN IMPORTANT PART OF OUR MINISTRY AND HAVE BELIEVED AND SUPPORTED EACH OF THE PROJECTS THAT GOD HAS PUT IN OUR HEARTS.

WE PRAY FOR ALL OF YOU AND LOOK FORWARD TO SEEING YOU AGAIN SO THAT WE CAN SERVE THE LORD TOGETHER ONCE MORE.
